Anything else to tell us about your online & digital life?

asdf no look at catfishes Im soon getting a facebook cause ive benn going on my sisters no not really I have an Ipod touch so I use that a lot....like 10+ hours a week. nope although my computer is really slow and i have a time limit. Recently my parents are being generous with screen time and let us do unlimited but they tell me to get off when they want me to. I listen to music. Youtube and itunes I love to play music on my laptop. I also take pictures with the camera on my laptop. I dont usually watch tv live, I go on ONDEMAND. No comment no it is personal!!!! lol Spore is the best computer game on ...
